

Are All Dance Studios the Same?

Here's why Dance/10 Performing Arts Center is the right choice for dance.

- All studios are equipped with raised gym style wood floors which help reduce the risk of injuries and allow students to dance longer without getting tired.

- Outstanding, well qualified teaching staff. Teachers are certified members of Dance Masters of America, college educated, or professional dancers. Each instructor has the unique ability to create a warm and friendly teaching atmosphere.
- Mirrors in all studios for better student viewing of instructor.
- Viewing of all studios is possible from the lobby without causing disruption to any classes.
- Desk staff is available to assist you during all teaching hours allowing instructors to focus on teaching.
- Multiple classes offered at the same time to allow for family scheduling.
- Complete dance shoe and apparel shop available onsite for your convenience.
- More than 32 years of educating dancers in Alameda and surrounding communities.
- Extensive dance program designed to educate from beginning to professional level dancers.
